

Finding County & City Officials

How to Find your County Officials:

- Click this link <https://myreps.datamade.us/index.html>
- Your page should look like this:

The screenshot shows the 'MyReps' website interface. At the top, the title 'MyReps' is displayed in a large, bold, black font. Below the title, a subtitle reads 'Enter your address to **find and contact** your federal, state, county and local elected representatives'. A search bar is positioned below the subtitle, containing the placeholder text 'Enter your address to find who represents you'. To the right of the search bar are two buttons: a blue 'Search' button with a magnifying glass icon and a dark grey 'Find me' button with a location pin icon. Below the search bar, there is a section for 'Show level of government:' with four checkboxes: 'Local', 'County', 'State', and 'Federal', all of which are currently checked. To the left of the map, there is an 'About' section with the following text: 'This is a tool for looking up who your **elected representatives** are across the United States. Based on your address, we can find all the federal, state, county and local officials who represent you in government. Knowing who these representatives are and contacting their offices directly is the most effective way to change how our government works. Have an issue you care about? **Find your rep and tell them!** [More about this project »](#)'. To the right of the text is a black silhouette map of the United States with white outlines for each state. At the bottom of the page, a footer reads 'Built by [DataMade](#) and the [Participatory Budgeting Project](#) | Powered by the [Google Civic Information API](#)'.

- Uncheck the small boxes titled, "Local," "State," & "Federal"

- Type your **address** into the Search Bar and click the blue Search button to the right! **Your page should look like this before you click search:**
